Test Retakes

Honor Policy

Any academic dishonesty is strictly prohibited and will be reported to the school. This includes copying tests and assignments.

Students can retake every test one time. To do this, you must show 80% of homework completed **and** test corrections on a separate piece of paper. Two appointments must be made. One to show corrections and one for the retake. The retake will cover the chapter material but be slightly harder. Retake deadlines will be given when tests are returned.

“The only real mistake is the one from which we learn nothing”– Henry Ford

Points Back

To earn quiz points back the student must meet with the teacher and be prepared to explain their growth and mastery by showing both the quiz and test problem. If you are unsure of this procedure please ask!

Grading

Tests 55%
Quizzes 20%
Classwork 15%
Final 10%

There is no extra credit or grade rounding

Tardy Policy

Students are expected to be in class ready to go with supplies out at the start of class. After a student is tardy **twice** they will receive a note to bring home. After **three or more** tardies a student will receive a referral.

For attempted assessments, the lowest grade entered will be 50%. Students who scored anything below, can see their real score within the comment section. If an assessment is not taken a zero will be entered.

Absent Policy

Students are responsible for making up the work the missed. Notes, homework and classwork can be found on the website. Students with excused absences need to make up the test when they return. Unexcused absences are scored as zeros.
